Doug Nygren  
Friends of Reservoirs  
PO Box 134  
Garden Plain, KS 67050-9118

Mr. Nygren and Executive Committee members:

The North Carolina Wildlife Resources Commission fully supports the grant proposal expanding the North Carolina Wildlife Resources Commission's native aquatic plant program. This project will help us meet our goals and objectives for our native aquatic plant program.

Sincerely,

A handwritten signature in black ink, appearing to read "Mark Fowlkes". The signature is fluid and cursive.

Mark Fowlkes, Piedmont Aquatic Habitat Coordinator
